

Ring My Bells

Enrique Iglesias

Piano Intro
Ring my bell, ring my bells
Ring my bell, ring my bells
Ring my bell, ring my bells
Ring my bell, ring my bells
Sometimes you love it
Sometimes you don't
Sometimes you need it
Then you don't and you let go
Sometimes we rush it
Sometimes we fall
It doesn't matter baby
We can take it real slow
'Cause the way that we touch
Is something that we can't deny
And the way that you move
Oh, you make me feel alive
Now come on
Ring my bell, ring my bells
Ring my bell, ring my bells
You try to hide it
I know you do
When all you really want
Is me to come and get you
You move in closer
I feel you breathe
It's like the world just disappears
When you're around me
Oh 'Cause the way that we touch
Is something that we can't deny
Oh, yeah
And the way that you move
Oh, you make me feel alive
So come on
And ring my bell, ring my bells
Ring my bell, ring my bells
Ring my bell, ring my bells
Ring my bell, ring my bells
I say you want
I say you need
I can tell by your face
You love the way it turns me on
I say you want
I say you need
I will do what it takes
And I would never do you wrong
'Cause the way that we love
Is something that we can't fight
Oh, no
I just can't get enough

Oh, you make me feel alive
So come on Ring my bell, ring my bells
Ring my bell, ring my bells I say you want
I say you need
I can tell by the way you're looking at me
I turn you on I say you want
I say you need
If you have what it takes
We don't have to wait
Let's get it on Get it on! Ring my bell, ring my bells
Ring my bell, ring my bells
