

# Broken

## Brandon Rogers

What am I doing here?  
I ask myself everyday  
What can I do to make things right?  
Am I a part of something bigger than what I see?  
Nothing seems clear to me tonight. I don't know what I'm looking for  
Maybe I never will  
Someday the wind might change directions on me  
Take me to where I can feel I'll pack my bags and move along  
No time to worry about what's right or wrong  
Give me 30 seconds and I'll be gone  
I'm starting again  
Don't know how I'll get to the end  
But, this time  
I'll fix what's broken So many days go by  
Just looking like the one before  
Everything always stays the same  
Disappointment takes the better part of what's in me  
I wish I had someone to blame I don't know what I'm looking for  
Maybe I never will  
Someday the wind might change directions on me  
Take me to where I can feel I'll pack my bags and move along  
No time to worry about what's right or wrong  
Give me 30 seconds and I'll be gone  
I'm starting again  
Don't know how I'll get to the end  
But, this time  
I'll fix what's broken Broken  
Broken I don't know, I don't know where I'm going to  
But I know, I know it's gotta be better than this  
I'm Gone
