

# Here With You

Asher Monroe

To all my friends  
The night is young  
The music is loud  
They're playing our song  
Nowhere else that I belong  
Than here with you  
Than here with you(Oh-oh-oh, oh-oh-oh)Ain't felt this good since I remember (Remember)  
This night got started when you entered (Entered)  
I hope we can get a little closer (Closer)  
Maybe even get to know your name (Name, name)  
I wanna hear the music so loud (So Loud)  
Get some drinks inside me right now (Right now)So baby let it go  
You had me at hello  
Let's raise our glass and toast  
Dj, play that once moreTo all my friends  
The night is young  
The music's loud  
They playing our song  
There's nowhere else  
That I belong  
Than here with you  
Than here with youOh-oh-oh, oh-oh-oh  
(Than here with you)  
Oh-oh-oh, oh-oh-ohGonna see the sun before we know it (Know it)  
If you got some money, time to blow it (Blow it)  
Girl, the way you got me feeling so sick (So sick)  
Dancing the night away with you  
With you, with you, yeah  
Nobody here is sober (Sober)  
Last call don't mean it's over (It's over). YeahSo baby let it go  
You had me at hello  
Let's raise our glass and toast  
To-to-toast, toastTo all my friends  
The night is young  
The music is loud  
They're playing our song  
There's nowhere else that I belong  
Than here with you  
(Than here with you)

Than here with you Oh-oh-oh, oh-oh-oh  
(Than here with you)  
Oh-oh-oh, oh-oh-oh  
(Than here with you)  
Oh-oh-oh, oh-oh-oh I wanna hear the music so loud (So loud)  
(I wanna hear the music so loud)  
(Hear the music so loud) To all my friends  
The night is young  
The music is loud  
They playing our song  
There's nowhere else that I belong  
Than here with you

(Than here with you)
