

Human Behaviour

[Björk](#)

If you ever get close to a human
And human behavior
Be ready, be ready to get confused
There's definitely, definitely, definitely no logic
To human behavior
But yet so, yet so irresistible
And there's no map
They're terribly moody
And human behavior
Then all of a sudden turn happy
But, oh, to get involved in the exchange
Of human emotions
Is ever so, ever so satisfying
Oh oh, and there's no map
Human behavior, human
Human, human behavior, human
Human, human behavior, human
Human behavior, human
And there's no map
And the compass
Wouldn't help at all
Human behavior, human, human
Human behavior, human
Human behavior, human
Human behavior
There's definitely, definitely, definitely no logic
Human, human
Human behavior
Human
There's definitely, definitely, definitely no logic
Human, human, human, human
