I Don't Know You Anymore

Quasi

I would like to visit you for a while
Get away and out of this city
Maybe I shouldn't have called
But someone had to be the first to break
We can go sit on your back porch, relax
Talk about anything, it don't matter
I'll be courageous if you can pretend
That you've forgiven me
'Cause I don't know you anymore
I don't recognize this place
The picture frames have changed
So has your name
We don't talk much anymore
We keep running from the pain
But what I wouldn't give to see your face again
Springtime in the city
Always such relief from the winter freeze
The snow was more lonely than cold
If you know what I mean
Everyone's got an agenda, don't stop
Keep that chin up you'll be alright
Can you believe what a year it's been?
Are you still the same?
Has your opinion changed?
'Cause I don't know you anymore
I don't recognize this place

The picture frames have changed
So has your name
We don't talk much anymore
We keep runnin' from these sentences
But what I wouldn't give to see your face again
I know I let you down again and again
I know I never really treated you right
I've paid the price
I'm still payin' for it everyday
So maybe I shouldn't have called
Was it too soon to tell?
Oh, what the hell?

It doesn't really matter
How do you redefine somethin'
That never really had a name?
Has your opinion changed?
'Cause I don't know you anymore
I don't recognize this place
The picture frames have changed
And so has your name
We don't talk much anymore
We keep running from the pain
But what I wouldn't give to see your face again
I see your face
I see your face
