

# The Nature of Love

## Ministry

Love

Love is like an open hand  
Stings a little when it lands

Hold me closer

Hold me tighter

Hold me so damn close that my heart's on fire

It's a fantasy

It's a nightmare

And the whole damn world is walking round in theirs I said love

Love is like a razor blade

Double edge and double pain

Hold me closer

Hold me tighter

When I rip your flesh and the pain is fresh

It's a fantasy

It's a nightmare

And the whole damn world doesn't seem to care

I said love

Love is like a butcher knife

Double sharp for single lives

Hold me closer

Hold me tighter

As the lights go out and we start to shout

It's a fantasy

It's a nightmare

With a big black bruise and a handful of hair

I said love
