Good Lovin'

Fantasia

One sunny, sunny morning
When my man's right by my side
Held me closely, so close I felt love inside
Its like paradise when he
He called me his favorite girl
And for sure he's my favorite boy
And I'll be there when he needs me to be like no other woman gives you joy cause I
I'll give him
Good love to you
Sweet love to you (sweet love)
There when you say (there when you say)
Gotta do for you (gotta do for you)
Hold onto you (hold on to you)
Right here for you
Ooooooohhh
Good lovin'
Good love to you (good love to you)
Sweet love to you (sweet love)
There when you say (I'm there, I'm there)
I gotta do for you (gotta do for you)
Hold onto you (hold on to you)
Right here for you (right here)
Ooooooohhh
When you come home from work baby, baby
I'll be here to run your bath
You ain't gotta ask me once I want this stuff to last it's the least I can do for you
I'm here til the day we die boy
Cause this feeling is so real to me
You're my lover, my friend and its more than I dreamed so I'm right here to give you
Good love to you
Sweet love (sweet love to you)
There when you say (there when you say)
I gotta do for you (gotta do for you)
Hold on (hold on to you)
Right here (right here for you)
I'll be right here for you baby when you need me, just call me
Sweet love
Good love to you (oh yeah)
Sweet love to you (sweet love to you)

There when he say (there when he say)
I gotta do for you (gotta do for you)
I gotta hold onto you (hold on to you)
I'm right here for you (right here)
Ooooooohhh
I'll give good, I'll give good, I'll give good , I'll give good love to you
I'm willing to share my world
Said I'm willing to share my world with you baby, baby, baby, baby
For my man I'll give you the world
Said I'll give you the world and I'll tell everybody, I'm not ashamed
You're my man and I'm your girl
I'm your girl baby, whatever you need
More than willing to share my whole world
Yeah, yeah, yeah, yeah baby
Good love to you
Sweet love to you (sweet love)
There when you say
I gotta do for you (I gotta do for you)
Hold onto you (hold on to you)
Right here for you (right here)
Said I get so happy inside, yeah, yeah
Good love to you (oh baby)
Sweet love to you (cant you tell)
There when you say (I'm there, I'm there)
Gotta do for you (said I gotta do)
Hold on to you (yeah, yeah, yeah)
Right here for you (I gotta hold you baby, because I love you yeah
Said I gotta go now
