There is None Like You

Stephen Hurd

There is none like You
No one else can touch my heart like You do
I could search for all eternity long
And find there is none like YouThere is none like You
No one else can touch my heart like You do
I could search for all eternity long
And find there is none like YouThere is none like You
No one else can touch my heart like You do
I could search for all eternity long
And find there is none like YouI could search for all eternity long
And find there is none like You
