

# We Will Rise (Performance Track)

[Todd Smith](#)

We are Your people  
Called by Your name  
Humbly we bow down  
Seeking Your face  
Praying forgive us  
We've wandered far  
We ask for mercy  
Awaken our hearts We will rise  
We will rise  
The saints of God  
The bride of Christ  
Bought with the blood  
Moving as one  
Filled with Your light  
So whatever powers of darkness rage  
We stand on the Rock that will not shake  
Let it be heard  
We are Your church  
And we will rise  
Pour out Your Spirit  
Guard us with truth  
Make us courageous  
In all that we do  
Fill us with power  
'Til we're unafraid  
To go where You lead us  
Declaring Your glory, Your honor, Your fame Through every page of history  
You've always been; You'll always be  
The only one deserving to  
Be crowned the King of Kings  
From the ashes  
From the darkness  
From the chains that have bound us all  
Lift your head up  
All you weary  
We will rise, we will rise
