Unleashed

Mark Collie

Long tall Lassie from Tallahassee
Teachin' her high school English classes
But when the bell rings after school
Puts on her jeans and her high heel boots
Tonight she'll break some cowboy's heart in two
She's unleashed love on the looseUnleashed love on the loose
Unleashed, unleashed love on the looseOklahoma angel by the name of Alice
Pourin' hot coffee at the Cowtown Palace
But when her quittin' time comes around
She'll trade that apron for a sequined gown
She's out to burn that Cowtown down
Unleashed love on the looseUnleashed love on the loose
Unleashed, unleashed love on the looseEverybody's gotta be set free
Everybody's got a heart to feed
Everybody's got a need to be
Unleashed love on the looseUnleashed love on the loose
Unleashed, unleashed love on the looseI got, you got to, we got to be unleashedUnleashed love on the loose
Unleashed, unleashed love on the loose
