

# Love Me For a Reason

## Boyzone

Girl, when you hold me  
How you control me  
You bend and you fold me  
Any way you pleaseIt must be easy for you  
To love the things that you do  
But just a pastime for you  
I could never beAnd I never know, girl  
If I should stay or go  
'Cause the games that you play  
Keep driving me awayDon't love me for fun, girl  
Let me be the one, girl  
Love me for a reason  
Let the reason be loveDon't love me for fun, girl  
Let me be the one, girl  
Love me for a reason  
Let the reason be loveKisses and caresses  
Are only minor tests, babe  
Of love [Incomprehensible] stresses  
Between a woman and a manSo, if love everlasting  
Isn't what you're asking  
I'll have to pass, girl  
I'm proud to take a standI can't continue guessing  
Because it's only messing  
With my pride and my mind  
So, write down this time to timeDon't love me for fun, girl  
Let me be the one, girl  
Love me for a reason  
Let the reason be loveDon't love me for fun, girl  
Let me be the one, girl  
Love me for a reason  
Let the reason be loveI'm just a little old fashioned  
It takes more than physical attraction  
My initial reaction is  
Honey, give me love not a facsimile ofDon't love me for fun, girl  
Let me be the one, girl  
Love me for a reason  
Let the reason be loveDon't love me for fun, girl  
Let me be the one, girl  
Love me for a reason

Let the reason be love  
Don't love me for fun, girl  
    Let me be the one, girl  
    Love me for a reason  
Let the reason be love  
Don't love me for fun, girl  
    Let me be the one, girl  
    Love me for a reason
