

# Keep Going

## Black Milk

Two lives, two hearts, two souls who never part  
We said, we would for life and that's why  
Tonight I don't fear the end of the road 'cause I  
I keep going, keep going  
I keep going till we've run out of road  
I keep going, keep going, yeah  
I keep going till we've run out of road  
I just wanna love you forever  
So I keep going, keep going  
Till we've run out of road, yeah  
We lose, we win, we fall to get up again  
We said, we'd love for life that's why tonight  
I don't fear the end of the road 'cause I  
I keep going, keep going  
I keep going till we've run out of road  
I keep going, keep going, yeah  
I keep going till we've run out of road  
I just wanna love you forever  
  
So I keep going, keep going  
Till we've run out of road  
I said I love you and that's forever  
I'm sure that we will survive  
So I'll keep going, keep going  
Keep going till we've run out of road  
Keep going, keep going, yeah  
I keep going till we've run out of road  
'Cause I just wanna love you forever  
And I just wanna love you forever  
So I keep going, keep going  
I keep going till we've run out of road  
I keep going, keep going, yeah  
I keep going till we've run out of road  
'Cause I just wanna love you forever  
And I just wanna love you forever, yeah
