

# Wishing Well

[Flick](#)

Wishing for a wishing well  
To grant my wish  
What my wish is, I don't know  
Maybe somehow it will show  
What I want, what I want is it  
Will it happen  
What I want, what I want  
Ain't always what I get  
Waiting in the waiting room  
I would get out but it's too soon  
Scream and yell but nothing to say  
I wouldn't have it any other way  
What I want, what I want is it  
Will it happen  
What I want, what I want  
Ain't always what I get  
I want to take you out  
If it's the last thing that I do  
I want to take you out  
I hope you'll want me to  
I want to take you out  
If it's the last thing that I do  
I want to take you out  
Grant me this wishing well do  
Yeah, yeah, yeah  
Yeah, yeah  
What I want, what I want is it  
Will it happen  
What I want, what I want  
Ain't always what I get  
Yeah, yeah, yeah  
Yeah, yeah, yeah, yeah  
Ain't never gonna happen
