

Being Alone With Christmas

Miss Montreal

Singing bells and snowy streets,
all around the world
Happy faces everywhere,
but your bed is cold
Embrace yourself like no one else could
Being alone at Christmas doesn't have to be a bad thing
Singing songs all for yourself,
some brandy, no one's leaving
and oooh, you're alone tonight
oooh, No christmas lights
No kisses, hugs, no love, no luck
Christmas a delight
Things will be okay you'll see,
You won't be lonely
Maybe next year you and me,
around the christmas tree!
Embrace yourself like no one else could
Being alone at Christmas doesn't have to be a bad thing
Singing songs all for yourself,
some brandy, no one's leaving
whoohoo, christmas alone
whoohoo, christmas alone
christmas, christmas, christmas... whoohoo!!
Being alone at Christmas doesn't have to be a bad thing
Singing songs all for yourself,
some brandy, no one's leaving
Being alone at Christmas doesn't have to be a bad thing
Singing songs all for yourself,
some brandy, no one's leaving
and oooh, You're alone tonight
oooh, No christmas lights
No kisses, hugs, no love, no luck
Christmas a delight
christmas what a fight
We will be alright!
