

The Noose (LIVE)

A Perfect Circle

So glad to see you well
Overcome and completely silent now
With heavens help you cast your demons out And not to pull your halo down
Around your neck and tug you off your cloud
But I'm more than just a little curious
How you're planning to go about making your amends
To the dead
To the dead Recall the deeds as if they're all
Someone else's atrocious stories
Now you stand reborn before us all
So glad to see you well And not to pull your halo down
Around your neck and tug you to the ground
But I'm more than just a little curious
How you're planning to go about making your amends
To the dead
To the dead With your halo slipping down
Your halo slipping
Your halo slipping down
Your halo slipping down But I'm more than just a little curious
How you're planning to go about making your
More than just a little curious
How you're planning to go about making your
More than just a little curious
How you're planning to go about making your amends Your halo slipping down
Your halo slipping down
To choke you now
