

# Excuse Me Mr. (Live @ Statenthal)

## No Doubt

Oh, I'm like a beggar with no luck  
I'm holding signs up on your street corner stops  
Like most, you try not to see me  
Stare straight ahead, ignore the responsibilityExcuse me  
(Excuse me, mister)  
Well, I've been waiting in line  
And I'd like to buy some of your time  
I'm very anxious, eager, willing  
What's your billing?  
(Anxious, eager, willing)So please excuse me, mister  
You've got things all wrong  
You make it feel like a crime  
So don't confuse me, mister  
I've known you too long  
All I need is a little of your timeOh, for most, love comes for free  
They don't pay the high cost of mental custody  
I'll pay bail for a guarantee  
Make space for me in the time yet to beExcuse me  
(Excuse me, mister)  
Well, I've been waiting in line  
And I'd like to buy some of your time  
I'd been saving up my life  
What's your price?  
(Saving up my life)So please excuse me, mister  
You've got things all wrong  
You make it feel like a crime  
So don't confuse me, mister  
I've known you way too long now  
All I need is a little of your timeWhat should I do? I'm about to crack  
And there's a force that comes over me  
It's almost as if I'm tied to the tracks  
I'm waiting for him to rescue meThe funny thing is, he's not going to come  
He's not going to find me  
This is a matter of fact, the desire you lack  
This is the way I guess it has to beA little of your time  
I need a little of your time  
Please, a little of your time, yeahSo please excuse me, mister  
You've got things all wrong  
You make it feel like a crime

So don't confuse me, mister  
I've known you way too long, boy  
All I need is a little of your timeOoh, I'm in line to buy time  
I'm in line to buy time  
I'm in line to  
I'm in line to make you mineWell, I don't wait in line  
Excuse me, excuse me, mister
