

# Just Stop (Live At House of Blues Chicago)

## Disturbed

Just stop enough of the venomous critical comments on my life  
Just stop the judgment and all of your pseudo-involvement in my life  
Sit back a moment and look at the miracle starting in the light  
Don't stop a moment and let the incredible happen knowing that All that you want is to criticize  
Something for nothing  
And all that I want is forgiveness one more time  
To be the best in the world Just stop with all of your little deliberate problems with my life  
Enough of all the crippling, terrible pain we feel inside  
Step back a moment, remember how the miracle started in the light  
Take back the torment; I'll only enjoy this moment knowing that All that you want is to criticize  
Something for nothing  
And all that I want is forgiveness one more time  
I know that  
All that we want is to feel inside  
Some kind of comfort  
With all that we've done  
We can hide  
We'll be the best in the world All I ever wanted was to be a real source of compassion  
From the moment that we found ourselves drowning  
All I ever wanted was to be a real source of compassion  
From the moment that we found ourselves drowning All that you want is to criticize  
Something for nothing  
And all that I want is forgiveness one more time  
I know that  
All that we want is to feel inside  
Some kind of comfort  
With all that we've done  
We can hide  
We'll be the best in the world  
We'll be the best in the world Just stop enough of the venomous critical comments on my life  
Just drop the judgment and all of your pseudo-involvement in my life
