

World in Motion

Soccer Masters

Express yourself, create the space
You know you can win, don't give up the chase
 Beat the man, take him on
You never give up, it's one on oneExpress yourself, it's one on one
 Express yourself, it's one on one
 Express yourself, you can't be wrong
When something's good, it's never goneLove's got the world in motion
 And I know what we can do
 Love's got the world in motion
And I can't believe it's trueNow is the time, let everyone see
 You never give up, that's how it should be
 Don't get caught, make your own play
Express yourself, don't give it awayExpress yourself, it's one on one
 Express yourself, it's one on one
 Express yourself, you can't be wrong
When something's good, it's never goneLove's got the world in motion
 And I know what we can do
 Love's got the world in motion
And I can't believe it's trueLove's got the world in motion
 And I know what we can do
 Love's got the world in motion
And I can't believe it's trueYou've got to hold and give, but do it at the right time
 You can be slow or fast, but you must get to the line
 They'll always hit you and hurt you, defend and attack
There's only one way to beat them, get 'round the backCatch me if you can 'cause I'm the England man
 And what you're lookin' at is the master plan
 We ain't no hooligans, this ain't a football song
Three lions on my chest, I know we can't go wrongWe're playing for England
 We're playing the song
 We're singing for England
Arrivederci, it's one on oneWe're playing for England
 We're playing the song
 We're singing for England
Arrivederci, it's one on oneWe're playing for England
 We're playing the song
 We're singing for England
Arrivederci, it's one on oneWe're playing for England
 We're playing the song
 We're singing for England

Arrivederci, it's one on one
