Advisory - the following lyrics contain explicit language:

Yeah, yeah, yeah
Yeah, yeahLonely all the world I see there's a ripple in your mind
Far beyond the grass I grasp the first thing that I find
Numbers march across the sky in a prisonary home
Ghosts have turned their backs to me, I'm finally aloneCan you hear me?
(Where do you stand)
Are you there?
(Try to take my hand)
Do you fear me?
(Have you forgotten how to love)
My heart is undertaken, undertakenForests filled with life rejoice a momentary joy
Single minded heavies hover playing with their toys
Tiny insignificant apparitions made divine
Toss aside their virtues turning water into wineCan you hear me?
(Where do you stand)
Are you there?
(Try to take my hand)
Do you fear me?
(Have you forgotten how to love)
My heart is undertakenCan you hear me?
(Where do you run)
Are you there?
(Why must you live as one)
Do you fear me?
(Your soul cannot be gone)
My heart is undertakenThe severing of a journey
Embodied by a woven mystic seam
While reality departs
At the exception of a dreamCan you hear me?
(Where do you stand)
Are you there?
(Try to take my hand)

Do you fear me?
(Have you forgotten how to love)
My heart is undertaken Can you hear me?
(Where do you run)
Are you there?
(Why must you live as one)
Do you fear me?
(Your soul cannot be gone)
My heart is under Can you hear me?
Are you there?
Do you fear me?
My heart is undertaken Undertaken
