Wasting My Young Years

London Grammar

You crossed this line
Do you find it hard to sit with me tonight?
I've walked these miles but I've walked 'em straight lined
You'll never know what was like to be fineI'm wasting my young years
It doesn't matter here
I'm chasing old ideas
It doesn't matter hereBaby
We are
We are
Maybe I'm wasting my young years
Maybe
We are
We are
Maybe I'm wasting my young yearsDon't you know that it's only fear
I wouldn't worry, you have all your life
I've heard it takes some time to get it rightI'm wasting my young years
It doesn't matter here
I'm chasing old ideas
It doesn't matter hereBaby
We are
We are
Maybe I'm wasting my young years
Maybe
We are
We are
Maybe I'm wasting my young yearsI don't know what you are
Don't leave me hanging on
I don't know what you are
Don't leave me hanging on
