

Tears Run Rings (The La Magia Dance Mix)

Marc Almond

On heavenly rain
You fell into my life
Unforgettable smile
Unforgettable lies In the name of the cross
Or a banner of love
With the hand of a friend
Or under a blanket of trust The angels sighed
A little girl cried
The tears run rings
Around my eyes We're going to set fire
To the house in my heart
We're going to set fire
To the whole damn world I don't understand
The wicked things we do
In the name of the good
In the name of the few The angels sighed
The little girl cried
The tears run rings
Around my eyes The angels sighed
The little girl cried
The tears run rings
Around my eyes Don't look at me
With your innocent smile
When the bed is burning
Around my head When a war breaks out
It'll be no surprise
Your unforgettable smile
Your unforgettable lies And I've got to stop running
To make my start
We've got to get together
Before we fall apart They're pulling down the old slums
To build the new
They're bringing back the old rules
To please the few In the name of the cross
Or a banner of love
With the hand of a friend
Or under a blanket of trust The angels sighed
A little girl cried
The tears run rings

Around my eyesThe angels sighed
A little girl cried
The tears run rings
Around my eyesThe angels sighed
A little girl cried
The tears run rings
Around my eyesThe angels sighed
A little girl cried
The tears run rings
Around my eyesPull down the old slums
To build the new
Pull down the love
I built with youPromise of tomorrow
You never kept
And you try to burn the house down
When I sleptThe nation's in disorder
There's chaos in my heart
We've got to get together
Before we fall apartBefore we fall apart
Before we fall apart
Before we fall apart
Before we fall apart
