Please Don't Touch (Live Version-Bonn)

Stray Cats

Don't you touch me baby 'cause I'm shakin' so much
Don't you touch me baby 'cause I'm shakin' so much
Well there ain't no other woman that makes me feel this way
When she comes up close I just ain't got a word to say
Please don't touch I shake so much
Please don't touch I shake so much
Don't you touch me baby 'cause I'm shakin' so much
You know I get so nervous when I see her eyes that shine
She looks right through me and a shiver runs down my spine
Please don't touch I shake so much
Please don't touch I shake so much
I don't know why she's got her claws in me
I want to be a bachelor fancy free
Runnin' from the preacher oh what a relief
Spending my life just shakin' like a leaf
I remember the first time her ruby lips brushed my cheek
Well I opened up my mouth but the rest of me just couldn't speak
Please don't touch I shake so much
Please don't touch I shake so much
Don't you touch me baby 'cause I'm shakin' so much
I don't know why she's got her claws in me
I want to be a bachelor fancy free
Runnin' from the preacher oh what a relief
Spending my life just shakin' like a leaf
I remember the first time her ruby lips brushed my cheek
I opened up my mouth but the rest of me just couldn't speak
Please don't touch I shake so much
Please don't touch I shake so much
Don't you touch me baby 'cause I'm shakin' so much
Don't you touch me baby 'cause I'm shakin' so much
Don't you touch me baby 'cause I'm shakin' so much
Don't you touch me baby 'cause I'm shakin' so much
