# Naive

## Jamie O'Neal

How you been, boy you're lookin' good
Are you still livin' down in Birmingham
Funny how things didn't turn out
Like we thought they wouldNow here we are standin' face to face again
Two old long lost friends
Laughin' 'bout when we'd sing"Born in the USA"
And we'd scream it at the top of our lungs
Remember how you'd always say
You were gonna change the worldAnd yeah, I would always be your girl
And we dreamed about runnin' away
Just takin' off and chasin' the sun
Man, we really had it madeWe were young, in love and free
And so naive, so naiveWhere'd it go
All that crazy confidence
You and me
Not afraid to face a thingWish we could go back
And live again the hours spent
In your car cruisin' like we owned the town
Yeah, we'd turn that song up loud
And we'd drown Bruce out singin'"Born in the USA"
And we'd scream it at the top of our lungs
Remember how you'd always say
You were gonna change the worldAnd yeah, I would always be your girl
And we dreamed about runnin' away
Just takin' off and chasin' the sun
Man, we really had it madeWe were young, in love and free
And so naive, so naiveNa, na, na, na, na, na, na
We were tender, we were green
So much we hadn't seen
We were wide eyed and innocent
And so naive singin'"Born in the USA"
And we'd scream it at the top of our lungs
Remember how you'd always say
You were gonna change the worldAnd yeah, I would always be your girl
And we dreamed about runnin' away
Just takin' off and chasin' the sun
Man, we really had it madeWe were young, in love and free
And so naive, so naiveOh man, we really had it made
We were so naive

We were so naive
