

# I Receive My Healing (feat. Marcia Alverson)

## Charis Worship

I receive my healing  
I believe in the Power of Your Word  
I receive Your Promise  
By Your love I'm redeemed and I'm restored

I receive my healing  
I believe in the Power of Your Word  
I receive Your Promise  
By Your love I'm redeemed and I'm restored

By Your stripes I have been Healed  
My victory is sealed  
Your Precious Blood that flowed from Calvary  
Brings new life and sets me free

You took my sin and took away my pain  
All doubt and fear must leave  
What was lost has now been found again  
Through Jesus Christ, my King

I receive my healing  
I believe in the Power of Your Word  
I receive Your Promise  
By Your love I'm redeemed and I'm restored

By Your stripes I have been Healed  
My victory is sealed  
Your Precious Blood that flowed from Calvary  
Brings new life and sets me free

You took my sin and took away my pain  
All doubt and fear must leave  
What was lost has now been found again  
Through Jesus Christ, my King

I will call upon Your Name  
Let go of all my shame

I Cling to Your unfailing love

Your power to save  
Is stronger than the grave  
Your grace â€“ more than enough!

I will call upon Your Name  
Let go of all my shame  
I Cling to Your unfailing love

Your power to save  
Is stronger than the grave  
Your grace â€“ more than enough!

I receive my healing  
I believe in the Power of Your Word  
I receive Your Promise  
By Your love Iâ€™m redeemed and Iâ€™m restored

I receive my healing  
I believe in the Power of Your Word  
I receive Your Promise  
By Your love Iâ€™m redeemed and Iâ€™m restored
