

Let It Whip (Re-recorded / Remastered)

Dazz Band

Want to see you with it
Sure could treat you right
Give me just a minute
Of your time tonightWe both are here to have the fun
So let it whipWe'll get into grooving
Love your body language
Baby, let me know
You've got me sort of anxiousWe both are here to have the fun
So let it whipSo let it whip,let's whip it baby
Child, let's whip it right
Get a grip, let's whip it baby, work it all night
Well what's your trip, child
Come on let it whipNow that you can see
How you groove with me
What else can I do
To get closer to youWe both are here to have the fun
So let it whipWe have the natural feeling
Obviously revealing
Let me be your paper man
I'd love to be your joker manWe both are here to have the fun
So let it whipSo let it whip,let's whip it baby
Child, let's whip it right
Get a grip, let's whip it baby, work it all night
Well what's your trip, child
Come on let it whipSo let it whip,let's whip it baby
Child, let's whip it right
Get a grip, let's whip it baby, work it all night
Well what's your trip, child
Come on let it whipThere's no time to lose
You're the one I choose, you're so right
You're the one I choose,
I only want to be with you
You're the one for me
Can't you see that II won't waste your time
I sense something divine in you
yes I doSo let it whip,let's whip it baby
Child, let's whip it right
Get a grip, let's whip it baby, work it all night
Well what's your trip, child

Come on let it whippet's whip it baby

let's whip it baby, whip it all nightCome on whip [Repeat: x2]There's no time to lose
You're the one I choose, it's alright
You're the one I choose,
I only want to be with you
