Let Me Be The 1

Mary J Blige

MJ, 50 Cent, G UNIT
This is simple, I know you understand
Another man can't quite love you girl like I can
Your fantasies and your dreams, believe in me, I will fufill
Now you know how I feel
Now baby, tell me how do you feel?
Boy I feel like this just can't be real
And if I'm dreaming, please don't wake me up
So what's the deal? Should I save my love for you?
'Cause no one way makes me feel the way that you do
You make me wanna see your face everyday
(Mm, mm)
Deep down inside I know that your my soul mate
(You are my soul mate)
If you should be my man, patiently
(Oh I know me)
'Cause boy I know that your the one for me
Let me be the one to give you everything
(Boy I wanna be the one)
Let me be the one that's always in your dreams
(Always be in your dreams)
Let me be the one who'd be right by your side
(I'll be there, I'll be there)
Let me be the one
(Let me be the one)
Let me be the one
(Let me be the one)
I'm your girl, see there's no one quite like me
Nobody will love you the way that I do
I get chills, when you put your arms around me
You make me feel like I'm the only one
You make me wanna see your face everyday
Deep down inside I know that your my soul mate
If you should be my man, patiently
(I'll be right here waiting)
'Cause boy I know that your the one for me
(You're the one, you're the one)
Let me be the one to give you everything
(Boy, let me be)

Let me be the one that's always in your dreams
(I wanna be the one in your dreams)
Let me be the one who'd be right by your side
(I'll be there, I'll be there)
Let me be the one
(Baby)
Let me be the one
(Baby)
Baby, if ever you need someone who knows you
Someone to go to, someone to be by your side
Baby, if ever you need someone to talk too
Someone to hold you, someone to be down to ride
You can count on me, I'll be there for you
When you need me I care for you like you care for me
Please believe me, if I was locked up
I know you'd be the one to come see me
Because you understand life, where we from, ain't easy
Problems, they say, "When it rains, it pours"
But I'm sure, together we can weather the storm
Your friends, they don't understand the shit we on
When I'm gone I'm missing you, your love is unconditional
Your my heart
I need you to live, picture me dissin' you
Now pictrue something positive me, hugging and kissing you
If ever you doubt how I feel this is what you should listen too
Let me be the one to give you everything
Let me be the one that's always in your dreams
Let me be the one who'd be right by your side
Let me be the one
Let me be the one
Let me be the one to give you everything
Let me be the one that's always in your dreams
Let me be the one who'd be right by your side
Let me be the one
Let me be the one
Let me be the one, let me be the one
Let me be the one for you
Let me be the one, let me be the one
Let me be the one for you
Let me be the one, let me be the one
Let me be the one for you
