

Testosterone

Descendents

Need it bad, someone gimme a dose
Need it bad, testosterone
I'm not God...I wanna be oneGood things don't come to those who wait
They only come to those who take
I waited so long to have my chance
They told me I didn't have what it takes
So slam it right here in my veinNeed it bad, someone gimme a dose
Need it bad, testosterone
I'm not God...I wanna be one
So gimme more - no, gimme all of those
I want the lion's share....I know
I'm not God....I just wanna be one, yeah
And all you fuckin' dicks who beat your chest
Don't even think that I'm impressed
But they're trying to take my wife my life my job, so...
Right now I need something for my brain
Right now I need to go insaneNeed it now
