Apoptygma Berzerk

4 AM, I watch you sleep,
I pray to God your soul to keep..
You sound asleep, but I feel pain,
do you feel what I feel?
I wonder what you dream, when you dream,
you're in my thoughts, you're in my head again.my eyes are red,
my head is numb,
my soul is weak,
but you make it go away.my heart's like lead,
because you're real
because you're realbecause you're acclaimmy eyes are red,
my soul is weak,
because you're real
my head is numb,
my heart's like lead,
because you're real
but you make it go away.because you're acclaim
