Dreams

Bazzi

A place
Where space
And time
Doesn't exist
Just usI had a dream about you last night
Your eyes were shining so bright
Those lips and that bittersweet smile
I need this forever
Beautiful dream, yeah, yeah
Don't know what it means, yeah, yeah
All I know is I don't know
But I need this forever
Straight up out a dream
Like a magazine
Girl, it felt good with your body on me
We should never ever leave the sheets, yeah
We could stay forever underneath, yeahOoh, ooh, ooh
It's like dÃ©jÃ vu when my hands up on you, like
Ooh, ooh, ooh
I might be naive, but you're more than a dream, yeah
Ooh, ooh, ooh
You made me feel alive, got me two times five, but
Ooh, ooh, ooh
Dreamin' all about you
Yeah yeahYou give me feelings that I can't explain to you
Girl, I was cold for a while, now I'm something new, yeah
Tell me what you want, anything at all, I got it though
Swear to God we unstoppable, yeah
I had a dream about you last night
Your eyes were shining so bright
Those lips and that bittersweet smile
I need this forever
Beautiful dream, yeah, yeah
Don't know what it means, yeah, yeah
All I know is I don't know
But I need this foreverOoh, ooh, ooh
You give me feelings that I can't explain to you
Ooh, ooh, ooh
Girl, I was cold for a while, now I'm something new

Ooh, ooh, ooh
Tell me what you want, anything at all, I got it though
Swear to God we unstoppable, yeah
