

# Dreams

Bazzi

A place  
Where space  
And time  
Doesn't exist  
Just us I had a dream about you last night  
Your eyes were shining so bright  
Those lips and that bittersweet smile  
I need this forever  
Beautiful dream, yeah, yeah  
Don't know what it means, yeah, yeah  
All I know is I don't know  
But I need this forever  
Straight up out a dream  
Like a magazine  
Girl, it felt good with your body on me  
We should never ever leave the sheets, yeah  
We could stay forever underneath, yeah Ooh, ooh, ooh  
It's like dÃ©jÃ vu when my hands up on you, like  
Ooh, ooh, ooh  
I might be naive, but you're more than a dream, yeah  
Ooh, ooh, ooh  
You made me feel alive, got me two times five, but  
Ooh, ooh, ooh  
Dreamin' all about you  
Yeah yeah You give me feelings that I can't explain to you  
Girl, I was cold for a while, now I'm something new, yeah  
Tell me what you want, anything at all, I got it though  
Swear to God we unstoppable, yeah  
I had a dream about you last night  
Your eyes were shining so bright  
Those lips and that bittersweet smile  
I need this forever  
Beautiful dream, yeah, yeah  
Don't know what it means, yeah, yeah  
All I know is I don't know  
But I need this forever Ooh, ooh, ooh  
You give me feelings that I can't explain to you  
Ooh, ooh, ooh  
Girl, I was cold for a while, now I'm something new

Ooh, ooh, ooh  
Tell me what you want, anything at all, I got it though  
Swear to God we unstoppable, yeah
