Comes Love

Peter Cincotti

Comes a rainstorm, put your rubbers on your feet
Comes a snow storm, you can get a little heat
Comes love, nothing can be doneComes a fire, then you know just what to do
Blow a tire, you can buy another shoe
Comes love, nothing can be doneDon't try hiding, it isn't any use
You'll start sliding when your heart turns on the juiceComes a headache, you can lose it in a day
Comes a toothache, see your dentist right away
Comes love, nothing can be doneThat's all brother, if you've ever been in love
That's all brother, you know just what I'm speakin' ofComes a nightmare, you can always stay awake
Comes depression, you can get another break
Comes love, nothing can be done
