

# Apply Some Pressure

Mark Ronson featuring Paul Smith

I like to wait to see how things turn out  
If you apply some pressure  
I like to wait to see how things turn out  
If you apply some pressure  
You know that I would love to see you next year  
I hope that I am still alive next year  
You magnify the way I think about myself  
Before you came, I rarely thought about myself  
Behind your veil I found a body underneath  
Inside your head were things I never thought about  
You know that I would love to see you next year  
I hope that I am still alive next year  
What's my view?  
Well, how am I supposed to know  
Write a review  
Well, how objective can I be  
What's my view?  
Well, how am I supposed to know  
Write a review  
Well, how objective can I be  
I like to wait to see how things turn out  
If you apply some pressure  
I like to wait to see how things turn out  
If you apply some pressure  
What happens when you lose everything  
  
You start all over again  
I like to wait to see how things turn out  
If you apply some pressure  
I like to wait to see how things turn out  
If you apply some pressure  
What happens when you lose everything  
You just start again, you start all over again  
What happens when you lose everything  
You just start again, start all over again  
Everything  
Start all over again  
What happens when you lose some pressure  
Apply some pressure, you lose some pressure

Apply some pressure, you lose some pressure  
Apply some pressure, you lose some pressure  
What happens when you lose some pressure  
Apply some pressure, you lose some pressure  
Apply some pressure, you lose some pressure  
Apply some pressure, you lose some pressure  
You know that I would love to see you in that dress  
I hope that I will live to see you undressed  
You know that I would love to see you in that dress  
I hope that I will live to see you undressed
