

Don't Stop

Gloria Estefan

The clock is tickin'
And I'm here wishin'
This new found love
Will find no end
Don't wanna feel
Another feelin'
Don't wanna know
What time will send
I wanna stop
The earth from turnin'
The rain from fallin'
The wind from blowin'
But don't stop
(Stop)
The love from growin'
Keep that river flowin'
We can find a way
Don't stop
(Stop)
The love from showin'
I don't want tomorrow
Just give me today
Don't stop
(Stop)
Stop the hands of time
Hold back the time
And make forever
The same as the moment
I felt your love
You've touched my heart
Erased the pain
The memories and mistakes
I made
(Stop)
The earth from turnin'
The rain from fallin'
The wind from blowin'
Don't stop
(Stop)
The love from growin'
Keep that river flowin'
We can find a way
Don't stop
(Stop)
The love from showin'
I don't want tomorrow
Just give me today
Don't stop
(Stop)
The flame from burnin'

Stop tomorrow's hurtin'
From seein' the lightDon't stop
(Stop)
My heart from beatin'
Keep the time from fleetin'
Into the nightCan't think about tomorrow's fears
'Cause today is here to stay
Clear away all of yesterday's tears
There's nothin' to block our way(Stop)
The earth from turnin'
The rain from fallin'
The wind from blowin'
The sun from shinin'Can't find the reason
Another season
Could never match your
Love so pleasin'Don't let it go
No no no no noDon't stop
(Stop)
The love from growin'
Keep that river flowin'
We can find a wayDon't stop
(Stop)
The love from showin'
I don't want tomorrow
Just give me todayDon't stop
(Stop)
The flame from burnin'
Stop tomorrow's hurtin'
From seein' the lightDon't stop
(Stop)
My heart from beatin'
Keep the time from fleetin'
Into the nightDon't stop
(Stop)
The love from growin'
Keep that river flowin'
We can find a wayDon't stop
(Stop)
The love from showin'
I don't want tomorrow
Just give me todayDon't stop the love
Stop the time
Another day
To keep you mineDon't stop the love
Stop the time

Another day
To keep you mine
