

Kingdom of Damnation

Destruction

Not really, concerned about your opinion,
Not really, taking care of your ass,
Maybe, tomorrow things are turning,
Maybe, soon you'll catch the fall! Not really, interested in your future,
Not really, hopin' for a consequence,
Never ever, believe a word I say,
Never ever, trust in my own dreadful way! Push, hurt and bite if you're ruthless enough,
Soon you'll have more might!
Insult, lie and steal, for a better cooperation
Hit, rape and kill! Dirty hypocrisy
To be or fuckin' not to be
Inconsiderate success
My existence is a mess! Kingdom of damnation
My might is damned to turn into deprecation
Kingdom of damnation might and lies made my derivation
Scream shout and spit, I'm just defending,
For a better understanding!
