Wild Honey

Webb Wilder

Makes me feel like twice the man I used to be
Wild honey, wild honey, wild honey
Makes me feel like twice the man I used to be
Wild honey, wild honeyWell it don't take but a crack
To drop on the kingdom
Don't take but a queen
To make that kingdom comeI'm a jack of all trades, master of none
I am the one who's gonna get all the fun done
Wild honey, wild honey, wild honey
Wild honey, wild honey, wild honeyShe loves you, she loves you, she loves you
I'll never love a girl
She loves you, she loves you, she loves youCut down in the wall, you really ought to see
That is the way, wild honey's supposed to be
Wild honey, wild honey, wild honey
Wild honey, wild honey, wild honeyWell it don't take but a crack
To drop on the kingdom
Don't take but a queen
To make that kingdom comeI'm a jack of all trades, master of none
I am the who's gonna get all the fun done
Wild honey, wild honey, wild honey
Wild honey, wild honey, wild honeyShe loves you, she loves you, she loves you
I'll never love a girl
She loves you, she loves you, she loves you.
