

Like Me (Prod. By Beanz-N-Kornbread)

Kirko Bangz

(Hook)

I'm a player ,player ,player
I ain't worried about none of these hoes

Can't no nigga shine like me
Can't no nigga put it down like me

I'm a player ,player ,player
I ain't worried about none of these hoes

Can't no nigga shine like me

Can't no nigga put it down like me(Verse)

Remember back in high school used to hope that I pass

Now a nigga graduated and I'm chasing his ass

I ain't fucking with the bitch unless she making the cash

And if I'm fucking with the bitch that means she making me cash

Used to holla and smash now I holla and dash

On to the money baby got a highway stash

Used to have a young hoe that was flock in her class

'Til I start fucking the teacher now my young bitch pass

She has fat ass ,bit titties ,I've fucked every bad bitch up in the city

So nigga don't you coming at me talking about no hoes

And bitch don't you come at me unless it's about the dough(Hook)

I'm a player ,player ,player

I ain't worried about none of these hoes

Can't no nigga shine like me

Can't no nigga put it down like me

I'm a player ,player ,player

I ain't worried about none of these hoes

Can't no nigga shine like me

Can't no nigga put it down like me(Verse)

It's , I ain't playin ass nigga from no east side streets

Nigga ride for my niggas , niggas ride for me

Fuck once , fuck twice never go round three

And I ain't never been the type to go and cuddle and shit

I keep it playa I never lay off

I'm basketballin' on these niggas look out for dreyas

I'm on my motherfucking grind, I gotta shine

Got bitches doing overtime watching overtime

It's over nigga

Your girl doin' anything to get close to niggas

And she's your own sibling jumping over niggas

To take a picture of me in the club
Now I'm getting pictures from her in the tub,man what's up
