

# Tradewinds

## Ely Falls

My heavens low but the songs the same  
Seems I'm always lookin' when I hear your name  
You've been away but don't leave this side  
Seen all of your faces you've tried to hide  
So I'm sitting here in a train station  
Lord, knows I step with no hesitation  
Oh, I've seen through your lies  
Still I'm one, still I'm one to testify  
And I say, "I'll find a way to let you know  
Hold me close when trade winds blow  
Chances are you're over me  
I'll catch that train eventually"  
To the questions that you're asking  
I've only expected everything  
These arms of mine are burning  
As I see, as I see those pages turning  
And I say, "I'll find a way to let you know  
Hold me close when trade winds blow  
Chances are you're over me  
I'll catch that train eventually"  
I'll find a way to let you know  
Hold me close when trade winds blow  
Chances are you're over me  
I'll catch that train eventually  
My heavens low but the songs the same  
Seems I'm always lookin' when I hear your name  
You've been away but don't leave this side  
Seen all of your faces you've tried to hide  
So I'm sittin' here in a train station  
Lord, knows I step with no hesitation  
Oh, I've seen through your lies  
Still I'm one, still I'm one to testify  
And I say, "I'll find a way to let you know  
Hold me close when trade winds blow  
Chances are you're over me  
I'll catch that train eventually"  
I'll find a way to let you know  
Hold me close when trade winds blow  
Chances are you're over me

I'll catch that train eventually  
Said I'm sorry  
Said I'm sorry  
I'm a lover  
I'm a lover who says, he's sorry  
Said I'm sorry  
Said I'm sorry  
I'm a lover  
I'm a lover who says, he's sorry  
Said I'm sorry  
Said I'm sorry  
I'm a lover  
I'm a lover who says, he's sorry
