No More Lies

Peter Dawson

There's a darkening sky before me
There's no time to prepare
Salvage a lost horizon
But no regrets from me
Maybe I'll be back some other day
To live again, just who can say?
In what shape or form that I might be
Just another chance for me
A hurried time, no disgrace
Instead of racing to conclusion
And wishing all my life away
No one can stop me now
Time is up, it couldn't last
But there's more things I'd like to do
I'm coming back to try again
Some day maybe, I'll wait till then
No more lies, no more lies
No more lies, no more lies
No more lies, no more lies
No more lies, no more lies
They're all sitting at my table
Talking tall and drinking wine
Their time is up just like me
But they just don't know it yet
So just a word of warning
When you're in your deepest dreams
There's nothing you can hide from
I've got my eye on you
The clock is fast, the hour is near
Eventful past is everclear
My life is set, the time is here
I think I'm coming home
No more lies, no more lies
No more lies, no more lies
No more lies, no more lies
No more lies, no more lies
A hurried time, no disgrace
Instead of racing to conclusion
Wishing all your life away

No one can stop me now
Time is up, it couldn't last
But there's more things I have to do
I'm coming back to try again
Don't tell me that this is the end
No more lies, no more lies
No more lies, no more lies
No more lies, no more lies
No more lies, no more lies
No more lies, no more lies
No more lies
