

# No More Lies

## Peter Dawson

There's a darkening sky before me  
There's no time to prepare  
    Salvage a lost horizon  
    But no regrets from me  
Maybe I'll be back some other day  
    To live again, just who can say?  
In what shape or form that I might be  
    Just another chance for me  
    A hurried time, no disgrace  
Instead of racing to conclusion  
    And wishing all my life away  
    No one can stop me now  
    Time is up, it couldn't last  
But there's more things I'd like to do  
    I'm coming back to try again  
    Some day maybe, I'll wait till then  
        No more lies, no more lies  
        No more lies, no more lies  
        No more lies, no more lies  
        No more lies, no more lies  
They're all sitting at my table  
    Talking tall and drinking wine  
    Their time is up just like me  
But they just don't know it yet  
    So just a word of warning  
When you're in your deepest dreams  
    There's nothing you can hide from  
        I've got my eye on you  
The clock is fast, the hour is near  
    Eventful past is everclear  
My life is set, the time is here  
    I think I'm coming home  
    No more lies, no more lies  
    A hurried time, no disgrace  
Instead of racing to conclusion  
    Wishing all your life away

No one can stop me now  
Time is up, it couldn't last  
But there's more things I have to do  
I'm coming back to try again  
Don't tell me that this is the end  
No more lies, no more lies  
No more lies
