

Higher Times (feat. Jesse Boykins III)

The Internet

Can't give up on love
 No time to waste more time
 No time to waste more time
 Hold on to the feeling
 Move to higher times
 Move to higher timesCan't give up on love
 I can't, I can't, I can't give up on love
 Higher times
 Higher times
 Higher times
 Higher times, times, times, times
 Can't give up on love
 No time to waste more time
 Hold on to the feeling, yeah
 Hold on to the feeling
 Move to higher times
 Move to higher timesMove to higher times
 Move to higher times
 Move to higher times
 Just don't don't give up on love
 Can't give up on loveI want you to feel good
 like you know you shouldI want you to feel
 like you know you shouldI want you to feel
 Just like you know you should
 I want you to feel good
