

Fragments of Time (featuring Todd Edwards)

Daft Punk

Driving this road down to paradise
Letting the sunlight into my eyes
Our only plan is to improvise
And it's crystal clear
That I don't ever want it to end
If I had my way I would never leave
Keep building these random memories
Turning our days into melodies
But since I can't stay I'll just keep playing back
These fragments of time
Everywhere I go
These moments will shine I'll just keep playing back
These fragments of time
Everywhere I go
These moments will shine Familiar faces I've never seen
Living the gold and the silver dream
Making me feel like I'm seventeen
And it's crystal clear
That I don't ever want it to end
If I had my way I would never leave
Keep building these random memories
Turning our days into melodies
But since I can't stay I'll just keep playing back
These fragments of time
Everywhere I go
These moments will shine I'll just keep playing back
These fragments of time
Everywhere I go
These moments will shine
