

# You Are My World

## The Communards

There is nothing boy that can stop my course  
I will hold you tight never let you go  
Tomorrow's party will never end  
Like a bud in spring our love will bloom and grow

Your eyes to me are precious stones  
On a face that's made of a solid gold  
When I hold your hand I want to cry  
And your loving arms to protect me  
from the could you are my world

The soul inside now belongs to you  
I'm drowning in a love so deep  
We will overcome those ups and downs  
So happiness is forever ours to keep

I will follow you to the end of time  
I will be the blood flowing through your veins  
I will ride with you till the end of the line

You will be my everything; my world  
You are; you are; you are; you are,  
Oh boy; you are my world.
