

I Know (feat. Mitch)

YG

[Intro: Mitch]

I know, I know[Hook: Mitch]

I know, I'm off the 4, yeah, I know

I know, I'm movin' real slow

I know, I got your hoe

I know, I'm off the 4 and I'm slow

I know that Rollie rose gold

I know I got your hoe[Verse 1: Mitch]

I had to go back to my city one time

Tell 'em hatin' niggas that I made it, on God

Oh shit, I got a couple million in the bank

Oh shit, I'm trippin' and I ain't got fuckin' a thing

All my niggas kept grindin' on this side

All my niggas got the bread and we done it right

Oh, 400, what the fuck it do?

I done got a couple bands

I ain't got to wear designer

But I still keep a burner, Tiimmy Turner (grrrt)

All these bitches, yeah, they trippin' cause I'm on

They don't wanna show me love but it's cool

On God, I've been on the same shit all my life

On God, I've been on the same shit all my life[Hook: Mitch]

I know, I'm off the 4, yeah, I know

I know, I'm movin' real slow

I know, I got your hoe

I know, I'm off the 4 and I'm slow

I know that Rollie rose gold

I know I got your hoe[Verse 2: YG]
