The Lemonheads

Got me watching your eyes watching things go by outside
Out the window of a train
Easy sipping them just seeing it fly left to right
Pour the milk and I'll say when

I'm out wandering around.
You're but one thing I've found.
I don't mean to bring you down.
I'm out wandering around.

Kinda hoped you wouldn't blame me
I can't wake up every day and find the same me
You can scream but I'll just dream how you might disappear
All I know is it's never clear

I can't hold you near.
You just are not here.
Though it wasn't hard or far.
I walked you to your car.

Oh...
