# Comedown

## Hamish Black

Love and hate, get it wrong
She cut me right back down to size
Sleep the day, let it fade
Who was there to take your place
No one knows, never will
Mostly me, but mostly you
What do you say, do you do
When it all comes down

Cause I don't want to come back
Down from this cloud
It's taken me all this time to find out

Cause I don't want to come back
Down from this cloud
It's taken me all this time

There is no blame only shame
When you beg you just complain
The more I come more I try
All police are paranoid
So am I, so's the future
So are you, be a creature
What do you say do you do when it all comes down
(rpt 1, 2, 1...)
