Pretty Thing

Dixon, Willie

You pretty thing
Let me buy you a wedding ring
Let me hear the choir sing
Oh you pretty thingYou pretty thing
Let me walk you down the aisle
Darling, where our love is found
Oh you pretty thingLet me kiss you gentle
Squeeze and hug you tight
Let me give all my love
The rest of my lifeYou pretty thing
Let me hold you by my side
And become my blushing bride
You pretty thingPretty thing
Let me dedicate my life
You will always be my wife
Oh you pretty thing
