It's Too Late

Jerry Garcia

It's too late, she's gone
It's too late, my baby's gone
Wish I had told her she was my only one
It's too late, she's goneIt's a woman that cries
So I guess I've gotta hide my eyes
Guess, I will miss her more than anyone
It's too late, she's goneShe's gone, yes she's gone
She's gone, my baby's gone
She's gone, yes she's gone
Where can my baby be?And I wonder does she know
When she left me, it hurt me so
I need your love babe, please don't make me wait
Tell me it's not too lateShe's gone, yes she's gone
She's gone, my baby's gone
She's gone, oh yes she's gone
Where can my baby be?And I wonder does she know
When she left me, it hurt me so
I need your love babe, please don't make me wait
Tell me it's not too late
