O Holy Night

John Berry

O holy night, the stars are brightly shining
It is the night of the dear Saviour's birth
Long lay the world in sin and error pining
Till He appeared and the Spirit felt its worthA thrill of hope the weary world rejoices
For yonder breaks a new and glorious morn
Fall on your knees, oh, hear the angel voices
O night divine, the night when Christ was bornO night, O holy night, O night divine
O night, O holy night, O night divineLed by the light of faith serenely beaming
With glowing hearts by His cradle we stand
O'er the world a star is sweetly gleaming
Now come the wise men from out of the Orient landThe King of kings lay thus lowly manger
In all our trials born to be our friends
He knows our need, our weakness is no strangerBehold your King, before him, lowly bend
Behold your King, before him, lowly bendTruly He taught us to love one another
His law is love and His gospel is peace
Chains he shall break, for the slave is our brother
And in his name all oppression shall ceaseSweet hymns of joy in grateful chorus raise we
With all our hearts we praise His holy name
Christ is the Lord, then ever, ever praise weHis power and glory ever more proclaim
His power and glory ever more proclaim
