

# O Holy Night

John Berry

O holy night, the stars are brightly shining  
It is the night of the dear Saviour's birth  
Long lay the world in sin and error pining  
Till He appeared and the Spirit felt its worth  
A thrill of hope the weary world rejoices  
For yonder breaks a new and glorious morn  
Fall on your knees, oh, hear the angel voices  
O night divine, the night when Christ was born  
O night, O holy night, O night divine  
Led by the light of faith serenely beaming  
With glowing hearts by His cradle we stand  
O'er the world a star is sweetly gleaming  
Now come the wise men from out of the Orient land  
The King of kings lay thus lowly manger  
In all our trials born to be our friends  
He knows our need, our weakness is no stranger  
Behold your King, before him, lowly bend  
Behold your King, before him, lowly bend  
Truly He taught us to love one another  
His law is love and His gospel is peace  
Chains he shall break, for the slave is our brother  
And in his name all oppression shall cease  
Sweet hymns of joy in grateful chorus raise we  
With all our hearts we praise His holy name  
Christ is the Lord, then ever, ever praise we  
His power and glory ever more proclaim  
His power and glory ever more proclaim
