Beachcombing

Mark Knopfler & Emmylou Harris

They say there's wreckage washing up

All along the coast

No one seems to know too much

Or who got hit the mostNothing has been spoken

There's not a lot to see

But something has been broken

That's how it feels to meWe had a harmony

I never meant to spoil

Now it's lying in the water

Like a slick of oilThe tide is running out to sea

Under a darkening sky

The night is falling down on me

And I'm thinking that I shouldHead on home

(Head on home)

Been gone too long

(Gone too long)

Leave my roaming

BeachcombingLittle wild kitten out hunting

To see what he can get

You're in a big city now

That won't stop growing yetThe sun is going down smoking

A flaming testament

Something has been broken

And it feels permanentLittle seabird flying

He knows where he wants to go

Guess I ought to pack my stuff

And do the thing I knowI turn around and head on back

Along the old sea wall

I felt something give and crack

And now I'm sorry that's allHead on home

(Head on home)

Been gone too long

(Gone too long)

Leave my roaming

Beachcombing
